NORQUEST COLLEGE

Re: Work Placement Requirement Confirmation Letter in the Pharmacy Technician Diploma program
DLI: O18795996622

To Whom It May Concern:

NorQuest College has prepared this document to support students in our **Pharmacy Technician Diploma program, Fall 2027 intake** as they apply for study permits.

All students in this program are required to complete a mandatory work experience component in the program in order to receive their credential. The work experience component forms less than 50% of the program of study in this program, and provides students with opportunities to gain real-world experience that is relevant to their education and that will help prepare them for future careers.

For students in this intake who follow the program's standard enrolment path, work experience details are:

Program length:	5 Terms
Number of hours:	360
Date range(s):	Term 5 (January 2029 - April 2029)

Sincerely,

Debbie Little
