- If you are still waiting for your study permit and your program cannot be delivered online & cannot arrive before start of term, then you can pick the following deferral option till December 10,2021

These Winter 2022 NorQuest College Program cannot be delivered online:

- Practical Nursing Diploma
- Mental Health Practitioner Post Diploma
- Health Care Aide Certificate.

For these programs, all international students are expected to arrive in Canada and be available to attend in-person classes on campus.

- **If you received visa and your program cannot be delivered online. Also, you cannot travel to Canada due to recent travel ban due to the emergence of the Omicron variant for Botswana, Egypt, Eswatini, Lesotho, Malawi, Mozambique, Namibia, Nigeria, South Africa, and Zimbabwe.** You can defer to the next available intake until December 10th, 2021.

Temporary Deferral measure until 10 December • Before the recent IRCC announcement on November 26th, 2021

You will be eligible for a deferral if you are an international student who has:

- Paid a tuition deposit for Winter 2022 term, and
- Not yet received your study visa or permit approval, and
- Did not previously defer your admission from Fall 2021 to Winter 2022.

If this is your situation, **you must choose by December 10, 2021** (at 4:30 pm MST) to either:

1. **Withdraw from your program** by emailing enrolment@norquest.ca. If you withdraw by this date, you will receive a full refund of your tuition fees paid, **minus \$500 of the tuition deposit**, or
2. **Defer to the next available intake**, depending on seat availability. To request a deferral, you must use the [Deferral Form](#). Emailed deferral requests will not be processed. Requests received after this date will not be considered for deferral or refund, or
3. You can also choose this option, but we are not recommending this, that you can **continue to wait for your study permit**. If you choose this option, you need to be aware that deferral options will not be available after December 10, and the amount of refund you can receive will be reduced in case you later need to withdraw.

If you are completing a deferral request, make sure all of the information you fill in is correct; otherwise, we might not be able to process your request.
