Overview:
The Office of the Registrar is responsible for the accurate administration and assessment of tuition and fees to students’ accounts. The purpose of this procedure is to ensure that student refunds are managed and calculated in a consistent and equitable manner.

Authority to establish this procedure is derived from the NorQuest College Board of Governors Policy No. 5, which delegates authority to the President and CEO to establish policies and procedures for the college’s management and operation.

This procedure describes refund calculations in cases where a student withdraws from one or more non-credit course(s). It does not pertain to:

- Credit course offerings;
- Cases in which the college cancels a course or program for operational reasons. In those cases, all tuition and any non-instructional fees are refunded;
- Contract offerings of training – the contract may provide refund conditions that differ from those described in this procedure.

Refund Eligibility

- Course fees are eligible to be fully refunded when written notice of withdrawal or registration cancellation is given seven (7) days before the courses start date.
- When written notification is received less than seven (7) days before the course start date, no refund is issued.

Receiving a Refund

- Students who are entitled to a refund and are no longer registered at NorQuest College will receive a refund within eight (8) weeks of withdrawal. Refunds are issued to the same source from which payment was originally received; in cases of cash payments, refunds will be by cheque.
- Students who are entitled to a refund and are continuing their studies at the college will have any credit balance applied automatically to their current outstanding or next term’s fees.
- Students who have been sponsored by an agency, organization, or Indigenous band will have any refund monies sent directly to their funder.

Financial Appeals

- Students who wish to request a refund due to special circumstances (e.g. documented family or medical emergency) may submit an appeal. The Registrar (or designate) is the
authority for the determination of special circumstances and the adjudication of appeals.

- Appeals are to be initiated within 30 days of the course end date or of the date of the course drop/withdrawal, whichever is first. A completed Request for Financial Appeal form and appropriate documentation in support of the appeal are to be submitted to the Office of the Registrar in person or by email at non.credit@norquest.ca.
- Decisions on financial appeals for non-credit course(s) may include input from Continuing Education & Partner Solutions.
- Decisions on financial appeals are final.
