RE: Health Care Aide Program Orientation

Dear NorQuest Health Care Aide Students,

Welcome to the Health Care Aide (HCA) program. We value the time and commitment you are taking to embark in this new academic journey in our program. We want to ensure you have all the necessary information to be successful and feel supported in this program.

To do so, all HCA students must enroll into the online **HCA Orientation course. A link to register for this course was sent to you in your acceptance letter.** This course welcomes you to the program, tells you how to get started, contains important links and resources that you will refer back to often, and contains information that is vital to your success in the program. If you still need to register for this HCA Orientation course, please check the email you received when you were accepted into the program and follow the registration link there.

The livestream HCA student Orientation for Winter 2021 will take place on **Thursday, January 7, 2021 from 1:00pm-3:00pm (Mountain Time).** This session contains a structured information session and a Q&A session, where new students will have the opportunity to have their questions answered by program staff and instructors. A recording of this session will be available on the HCA Orientation page. The link to where the livestream will be hosted is here <https://ca.bbcollab.com/guest/c6ef1355123b43b8a1208683ab5308a6>

We are excited that you chose to take training in a Health Care Aide career, and we will match your effort every step of the way towards a rewarding career in health care.

Sincerely,

Matthew Rolheiser BSc, BEd, MPH
