

Student Award SIN Update

SIN Update User Guide

In February, NorQuest College will produce a T4A slip to you for filing with your income tax return. Your T4A slip will include the student award funding that you have received in the past calendar year. For more information on 'Students and Income Tax' go to Canada Revenue Agency. Your Social Insurance Number (SIN) will need to be included on the T4A.

To comply and receive your student award, you can now log into your [MyQuest](#) account and update your SIN.

- Navigate to Main Menu > Self-Service > Campus Personal Information > Demographic Information
- If your SIN information has not already been provided, enter your SIN using the format below.

SIN Update

SIN

Format: 999-999-999

- You will not be able to update your SIN if it has already been provided. Should you require a change, contact the [Office of the Registrar](#).
