

2021-2022

Dental Office Assistant

Program Overview

In this condensed, intensive 12-week certificate program you will learn how to handle the administrative functions of a dental practice. You will learn about dental terminology, dental office procedures, dental computer software and communication strategies for working with a diverse community of clients.

Career Potential

Graduates have opportunities to work in dental practices and clinics, orthodontist and specialist offices, dental labs and supply companies.

Admission Requirements

- Language Arts – this requirement can be met with any of the following, or an equivalent course:
 - 50% in English Language Arts 30-1 or 65% in English Language Arts 30-2
