Hospital Unit Clerk

Program Overview

This fast-paced Hospital Unit Clerk program will prepare you to play a vital administrative role in managing communication and information in a hospital nursing unit. Students learn medical terminology, how to process medical orders, communication skills, administrative procedures, and computer skills. Further, students will participate in a four-week work experience placement in a health-care facility to practice and refine their skills.

Career Potential

There are many opportunities for employment in the growing field of health care. Graduates may work in acute care and rehabilitation hospitals, and extended care facilities.
