

2022-2023

Addictions Recovery Practitioner

Program Overview

The Addictions Recovery Practitioner post-diploma certificate program provides health and human services professionals with the knowledge and skills to work with clients experiencing substance use and concurrent disorders. The program is offered in a flexible combination of online courses and live classroom instruction on evenings and weekends.

Career Potential

The Addictions Recovery Practitioner program will provide a viable career pathway for those entering the field of addictions. Graduates may pursue further education at the bachelor's and master's level, in areas such as social work, addictions, mental health, program administration, management, and research.

Admission Requirements

- post-secondary diploma or degree in health, human services, or social sciences; or
- active licensure in Canada with a health or human services governing body

ELP Requirements

You must provide proof of English language proficiency (ELP) prior to admission. ELP test results must have been obtained within two years of the start date of your program.

Acceptable evidence of ELP may be one of the following test scores:

- IELTS Academic: 6.5; no section score below 6
- TOEFL iBT: 84; no section score below 21
- Cambridge English Language Assessment: 180; no section score below 165
- CAEL: 70; no section score below 70
- PTE Academic: 59; no section score below 56
- Duolingo: 115
- minimum of:
 - 80% in [ESLS 8000](#) or [ESLS 8100](#), and 80% in [ESLW 8000](#) or [ESLW 8100](#); or
 - 50% in [ESLG 1898](#) and [ESLG 1899](#)
 - 50% in [ESLG 1860](#) and [ESLG 1861](#)

See [Admissions Process](#) for the steps to becoming a student.
