Early Learning and Child Care – certificate

Program Overview

Learn to provide quality child care in a variety of settings and plan appropriate activities for children in your care. Knowledge of child development, family dynamics, play, and program planning will equip you to support the healthy development of children through child-centred learning experiences.

The certificate program prepares graduates for Early Childhood Educator II certification.

Career Potential

Graduates of this program have diverse opportunities to provide child-care services; the child-care field is considered to be an above-average growth profession with increasing annual demand for employees.
