**Re: Students in the Therapeutic Recreation Diploma program
Co-Op Work Permit Supporting Documentation
DLI: 018795996622**

To Whom It May Concern:

NorQuest College has prepared this document to support students in our **Therapeutic Recreation Diploma program, Fall 2026 intake** as they apply for a co-op work permit.

All students in this program are required to complete a mandatory work experience component in the program in order to receive their credential. The work experience component forms less than 50% of the program of study in this program, and provides students with opportunities to gain real-world experience that is relevant to their education and that will help prepare them for future careers.

For students in this intake who follow the program's standard enrolment path, work experience details are:

Program length:	6 Terms
Number of hours:	440
Date range(s):	Term 3 (June 2027) Term 6 (May 2028 - June 2028)

Sincerely,

A Little

Debbie Little
