

THANK YOU!

You are breaking down barriers one challenge at a time.

In the last year, the money you gave helped:

- Open the 1000 Women Child Care Centre
- Begin distribution of the 1000 Women Learner Access and Child Care Access bursaries
- Add almost \$500,000 to a growing philanthropic movement

I would like to begin by stating how incredibly grateful I am to receive the [award]. This grant is life changing. I am a single mother of a beautiful son and a student at NorQuest for the past 3½ years. There are no words to describe my gratitude in being selected for this award, and how it will positively impact our lives for the near future.
