Objective:
NorQuest College (college) recognizes learners for successful completion of program requirements through the issuance of credentials in the form of both transcripts and parchments. The purpose of this policy is to identify the credentials issued by NorQuest College and to define the criteria by which they will be developed and issued.

Authority to establish this policy is derived from the NorQuest College Board of Governors Policy No. 5, which delegates authority to the President and CEO to establish policies and procedures for the college’s management and operation.

Policy:
The Office of the Registrar is the official office that issues credentials in the form of transcripts and parchments. Credentials are based on criteria outlined within the official NorQuest College Program Architectures, published online and within the Academic Calendar. Credentials will not be released to students on restrictive holds.

Parchments are legal documents and are issued using the student’s full legal name as supplied/recorded on their NorQuest College record. Parchment paper will be used only for the purpose of printing NorQuest College credentials (certificate or diploma) and the college Seal will only be affixed as outlined in the College Seal Procedure.
