

NET ASSETS POLICY

This document is the parent policy for any College or Divisional procedures. Questions regarding this policy are to be directed to the identified Policy Administrator.

Functional Category:	Finance
Approval Date:	April 5, 2022
Effective Date:	April 5, 2022
Policy Owner:	Vice President, Administration and Chief Financial Officer
Policy Administrator:	Director, Financial Services and Controller

Objective:

NorQuest College (college) will manage its resources in the development and delivery of educational programs, student support services, research, and scholarship.

The Net Assets Policy provides direction on the administration of college net assets.

Authority to establish this policy is derived from the [NorQuest College Board of Governors' Policy No. 5](#), which delegates authority to the President and CEO to establish policies and procedures for the college's management and operation.

Policy:

Net Assets, and changes thereto, shall be reported in the annual audited financial statements. All net assets will be presented and disclosed in accordance with Canadian Public Sector Accounting Standards.

The Board of Governors approves appropriation from Accumulated Surplus from Operations to Internally Restricted Surplus. The President and CEO may allocate funds within Internally Restricted Surplus for specific operating, capital, or debt repayment purposes. Such purposes will be defined as to the nature and financial requirements at the time established. The Vice President Administration & Chief Financial Officer can approve the reallocation of funds within Internally Restricted Surplus up to the limits identified for operating and capital transactions as indicated in the [Signing Authority Policy](#).

The minimum balance of the Accumulated Surplus from Operations will normally be \$7 million.

Investments in Tangible Capital Assets will be managed in accordance with Canadian Public Sector Accounting Standards and with the college's [Tangible Capital Asset Management Policy](#).

Endowments will be managed in accordance with the [Donation Policy](#).

Definitions:

Accumulated Surplus: consists of:

- Accumulated surplus from operations
- Investment in tangible capital assets
- Internally restricted surplus
- Endowments

Accumulated Surplus from Operations: the accumulation of annual surplus / (deficit) from operations.

Endowment: A restricted donation made to the college where the capital value is invested, and the annual investment income (residual) is used for a specified educational purpose (e.g. scholarship, research, learning

enhancements, etc.). All cash or property gifted to the college for the purposes of an endowment fund becomes the property of the college. The principal of the endowed fund is retained, administered, and managed by the college in accordance with its investment policy. Endowed funds generally are meant to exist in perpetuity; therefore, the specified educational purpose must be funded from the annual residual that is generated from the principal investment.

Internally Restricted Surplus: appropriations of accumulated surplus from operations to reflect a policy purpose, to assist with fiscal management, to demonstrate compliance with legislation or funds that have been set aside for specific purposes by the college.

Investment in Tangible Capital Assets: those net assets that represent the net book value of capital assets acquired with NorQuest College funds (excludes the net-book value of capital assets acquired either by funds contributed by third parties or through debt).

Net Assets: consists of the following:

- Accumulated surplus
- Accumulated remeasurement gains (losses)
