**Overview:**

Leaves of absence without pay may be granted to an employee, in accordance with the appropriate collective agreements or terms and conditions of employment, at the sole discretion of NorQuest College (college) and where operational requirements permit. The administration of these leaves is outlined in the procedures below.

Authority to establish this procedure is derived from the [NorQuest College Board of Governors Policy No. 5](#), which delegates authority to the President and CEO to establish policies and procedures for the college’s management and operation.

**Requesting a Military (Reservist) Leave Without Pay**

Employees occupying a Permanent or Term position who are members of the reserve force of the Canadian Forces may request a short-term or long-term leave of absence without pay when absence is necessary for participation in an operational mission or for absences of up to six (6) weeks each calendar year for military training purposes. Requests will be approved subject to the college’s operational requirements.

Employees requesting a military (reservist) leave without pay are required to complete an [Application for Leave Without Pay (HR 143)](#), including the dates and the reason for the leave, and submit the application to their Manager.

**Granting Leave Without Pay**

Requests are approved subject to operational requirements and in accordance with the following guidelines:

- The employee has completed at least 26 consecutive weeks of employment, intends to return to active work with the college for a minimum of two weeks, and is not requesting a leave beyond the end date of their Term expiry date.
- The employee provides at least four (4) weeks’ written notice indicating the date the leave will start and the actual date of return to work for training purposes or estimated date of return to work for deployment purposes. If due to urgent circumstances the employee is unable to provide four (4) weeks’ notice, written notice must be provided as soon as is reasonable.
- The employee provides written confirmation, including the start date and the estimated or actual length of the leave, from a Reserves official.
- The employee provides written notice of a change in the length of the leave as soon as is reasonable.
• The employee is not employed elsewhere during the leave, except under special circumstances approved by an Executive Head.
• Once leave without pay is approved and scheduled, employees will only be allowed to change their booked time with Manager Approval (due to an operational emergency), or by mutual agreement.

Authority for Approvals of Military (Reservist) Leaves Without Pay
• "Supervisors and Managers" have the authority to approve leaves without pay up to ten (10) days.
• "Division Heads" have the authority to approve leaves without pay up to one (1) year.
• "Executive Heads" have the authority to approve all leaves without pay. Executive Head approval is specifically required for leaves longer than one (1) year.

Conditions While on Military Leaves Without Pay

Vacation
• Employees are encouraged to utilize their vacation days prior to taking leaves without pay.
• Employees will not earn vacation while on military (reservist) leave without pay. Vacation earned prior to the leave without pay will be deferred until the employee returns to work.

Paid Days
• Employees while on military (reservist) leave without pay are not eligible for paid leaves (i.e. sick leave, personal & emergency, etc.).

Benefits Plan
• Where an employee is granted a military (reservist) leave without pay for greater than two (2) full pay periods, Employee Services will provide the employee with the Leave without Pay Agreement (HR139) to complete. This Agreement allows the employee to choose to either continue or discontinue in the Benefits Plan during their leave.
• Where an employee chooses to continue in the Benefits Plan:
  o they may choose to have the full amount of benefits deducted from their final cheque prior to their leave, or
  o they may choose to provide the college with post dated cheque dated the 1st of each month during their leave. Cheques must be received prior to the start of the leave.
  o for information on employee/employer premium payments and timing refer to your collective agreement or terms and conditions of employment.
• If, at any time during the military (reservist) leave the employee allows payment of premiums to lapse, benefits will be suspended immediately until such time as the employee submits the required payment. Any outstanding balance owing upon return to work will be deducted from the employee’s next pay cheque without further notice.
• Where an employee chooses to discontinue participation in the benefits plan they must, two (2) weeks prior to the leave, sign and submit to People the Request to Discontinue College Benefits form (HR140).
• Where a military (reservist) leave without pay is granted for more than one year, the Employee Services department must complete a Request for Leave of Absence Approval Form (beyond 12 months)
(HR127) and submit it to the benefit carriers to receive approval for the employee to continue in the benefit plans.

**Resignation**

When an employee resigns while on a military (reservist) leave of absence without pay, the date of termination will be the date the employee's division receives notification that the employee is resigning.

**Administrative Procedure**

For military (reservist) leaves less than two (2) full pay periods
