

Are you passionate about quality care and excellent health for everyone?

Island Health is seeking a casual **Orthopedic Licensed Practical Nurse** within the Emergency Room at Royal Jubilee Hospital in Victoria.

About the Opportunity

As a key member of a multidisciplinary team, you will be responsible for performing assessments and nursing procedures, and planning and providing personal care. Specifically, you will perform a variety of orthopaedic technician functions such as applying and removing casts and splints and setting up, monitoring, and adjusting traction equipment as directed by the physician. The successful candidate will operate in accordance with the competency guidelines and full scope of practice within the Standards of Practice as outlined by the BC College of Nursing Professionals, and according to agency operating policies and standards and unit specific protocols.

Qualifications

Along with your current registration as an LPN registrant with the BC College of Nursing Professionals, your background demonstrates your ability to communicate effectively with residents, families, coworkers, members of the multidisciplinary team and the public. Completion of recognized training in orthopaedic technology plus 2 years of related experience, or an equivalent combination of education, training and experience is required.
